## Trinidad Project – November 2025

Dear Family, Friends, and Ministry Partners,

As we enter the Thanksgiving season, here's a reflection on the importance of gratitude and contentment. The Apostle Paul reminds us in 1 Thessalonians 5:18 to "give thanks in everything; for this is the will of God in Christ Jesus for you." If we are to give thanks *'in everything'* then the application can be two- fold. Firstly, "gratitude" is an attitude we need to cultivate, a habit we need to develop. Secondly, we need to be grateful in good times and in bad times. It's not just reserved for a specific day or holiday.

Let us focus not only on our blessings, but on the God (Jehovah Jireh) who provides them. As one preacher wisely noted, "gratitude kills pride, slays self-sufficiency, and crushes entitlement." Pride and entitlement foster discontentment, anger and selfishness, BUT gratitude leads to genuine thankfulness.

We recognize that, as imperfect people - sinners, we deserve death. The Bible defines death as separation from God because God is perfect and we're not. (Romans 6:23a; Psalm 5:4; Habakkuk 1:13). Yet, through God's mercy and grace, He sent

His Son Jesus to pay the full price our sin deserves – He died. Three days later, Jesus rose from the dead, proving that He is God. He beat death and the grave once for all and paid the sin debt. He now offers us eternal life as a gift. Would you receive it? This good news is the foundation of our gratitude and contentment.
