

## ***November 2025 Prayer Letter***

Dear Family and Friends,

We are back in Spain after a whirlwind trip to the USA (South Dakota and Minnesota). We returned encouraged, challenged and blessed. We had a great time with family and many friends.

Seeing our family again was a huge blessing. We did many fun things, but the best memory was the time we had together.

Our time at church and with ministry partners like you was also a huge blessing. We were encouraged and reminded of your love and prayer for our ministry here in Spain. We can't thank you enough.

In the US, we met many *new* friends serving Christ in their context. Listening to stories of discipleship, courage, and evangelism from local and global servants challenged us to do more for Christ. One example, we met a couple serving in Bulgaria and we talked with them about how to serve our communities better. As you know, there is a large Bulgarian population in Fraga. They shared their experience and a leadership training resource with us, and we hope to meet with them soon. This is just a small example of the encouragement we received during our time—this email would be too long to tell you the many interactions that blessed our hearts!

Sharing our ministry at Wooddale

Our family at Wooddale Church

We arrived in Spain on November 3 with a lot of things to catch up with school, work, and ministry responsibilities. We were encouraged to see and hear that everything had gone very well while we were away. Leaving our church family in Fraga was a burden on our hearts, but we trusted God with the care of His church here. We were grateful to hear from the friend who preached and the friends who led worship and organization of the weekly ministries that everything had gone smoothly.

They all did a great job.

Everything was ... perhaps ....even better, because now our church had taken one more step toward maturity.

Our luggage and our hearts were full on our return. We have so much *to unpack* in the coming months.

On our way home

Fellowship with regional churches in Zaragoza last weekend

As we get ready for Christmas, we ask you to continue to pray for our ministry here:

#### Prayer Points

- We have many ideas to share the message of the Gospel in our community. I have challenged two people from the church to brainstorm ideas, communicate their idea to the church, and recruit volunteers to carry out this evangelistic campaign.
- Discipleship efforts. We need to work more on our discipleship training both of leaders and potential leaders. This past week, one young man (15 y/o) asked to be discipled after he visited our church for the first time on Sunday. Please pray for the brother working with him and for our church as we develop a more solid structure of discipleship.
- Church maturity. Our church has seen what they can do, and also where we need to improve during our absence. Please pray that our church will continue to mature toward independence (Membership, leadership, discipleship, evangelism, etc.)
- This Sunday (November 16, 2025) we have a guest speaker coming to discuss financial discipline. We are very excited about it. Please pray that

it would be a blessing to all of us in learning how to better steward our finances for the glory of God!

All for Jesus!
